P. H. Thrasher, has been on the sick list for a couple of weeks, during which time he has not been able to be down town.

Mrs. Maggie Atkins, of Kenton, returned home Monday after spending several weeks with Hardin and McNairy relatives.

Dr. J. Hugh Carter, of Memphis, came Saturday to spend a few days with home people. All are glad to greet Dr. Hugh.

The first bale of 1913 cotton raised in McNairy county was by H. Y. Smith living near Michie, who sold it Thursday of last week in Corinth at 12.60 and a premium of \$15.

Mrs. Edgar Atkins died of consumption at her home in Savannah last Thursday morning, and was buried in the Savannah cemetery. She will be remembered by the old citizens as the youngest daughter of Theo. F. Dalby of old Purdy days.

Mrs. Quin Ingram died last Thursday at her home in Jackson after a lingering illness. She leaves a husband and a number of children. She was before marriage Miss Dora McCann and was raised by her aunt, Mrs. J. H. Curry, at Purdy. To the relatives we extend our sincere sympathy for her sad demise.

The Selmer Business Men's Club met Tuesday night, J. W. Hickman, president, and F. F. Hendrix, secretary, presiding. Owing to the absence from town of Chairman J. W. Prather of the Executive Committee and W. K. Abernathy of the Advertising Committee, nothing but routine work was done. An order of business was adopted and two or three "made remarks for the good of the order."

Millions in the air. Think of it: Every time you open your mouth, in goes a whole menagerie of microbes, germs and bacteria. When the liver, stomach and bowels are active, these germs are harmless. If they are torpid it is just the condition needed to set up disease; which at this season is generally of a malarial nature. The moral is—Use Herbine to keep the liver, stomach and bowels in a state of health and activity. It cures indigestion and constipation. Price 50c. Sold by B. L. Browder, exclusively, adv

## Don't Let Baby Suffer with Eczema and Skin Eruptions

Babies need a perfect skin-covering. Skin eruptions cause them not only intense suffering, but hinder their growth. Dr. Hobson's Eczema Ointment can be relied on for relief and permanent cure of suffering babies whose skin eruptions have made their life miserable. "Our baby was afflicted with breaking out of the skin all over the face and scalp. Doctors and skin specialists failed to help. We tried Dr. Hobson's Eczema Ointment and were overjoyed to see baby completely cured before one box was used," writes Mrs. Strubler, Dubuque, Iowa.

## MIRTH, MUSIC, MELODY AT THE GREAT FAIR

Not content with presenting to his patrons the regular stereotyped form of entertainment, Con T. Kennedy, general director of The Con T. Kennedy Shows, which will provide all of the amusement features for the Tennessee State Fair, September 29 to October 4, has assembled a musical comedy organization, featuring La Zoria, a premier dancer and entertainer who has scored a marked success in the music halls of London, Berlin, Paris and St. Petersburg and other European cities.

Manager Kennedy, appreciating the importance of surrounding this star with a competent supporting company, has spared no pains or expense. The wardrobe is lavish and the scenic investiture worthy of an organization playing the first-class theaters. Nor has Manager Kennedy overlooked the orchestral requirements. Mirth, music and melody reign supreme with the La Zoria Show. To provide the electrical effects which add a distinctiveness and charm to this remarkable musical comedy offering a half dozen expert electricians are carried. Spot and flood lights are utilized and novel mechanical effects interwoven, making the La Zoria entertainment at once unique and meritorious. A beauty chorus of twenty comely ladies assist in the performance. The latest song hits are brought out in a striking manner, and altogether it is a performance which will appeal to folks who enjoy high-class, smart, clean entertainment.

## TO BE LITTLE WORLD'S FAIR

The directors of the Tennessee State Fair are to be felicitated upon having concluded arrangements with The Con T. Kennedy Shows to provide the amusement features this year. Transported on thirty-two sixty-foot cars, carrying twenty-two individual attractions and three riding devices, thoroughly equipped in every department, The Con T. Kennedy Shows are recognized as the greatest amusement enterprise of its character in the world.

The Plaza of Pleasure, at night, presents a bewildering picture—a veritable World's Fair, in miniature. Thousands of electric lights make this section even brighter than day. To provide the electrical illumination is carried two complete lighting plants, and this part of the equipment alone represents an outlay of \$40,000. The wagon fronts are resplendent with gold leaf and allegorical carvings. A world of money has been invested in the paraphernalia.

To get away from the usual method of presenting amusement attractions in separate exhibitions the freaks with The Con T. Kennedy Shows have been assembled under one canvas, one price of admission being charged to see them all.

In the selection of these curious people for public exhibition, Manager Kennedy has been careful to eliminate any feature distasteful or at all unwelcome to the most fastidious patrons.

The Congress of Nature's Mistakes, which is a decided factor of the Midway, is most comprehensive and unique.

## CLUB RAISERS' OPPORTUNITY

THE BANNER is going to offer to the "live wires" in the mail subscription field—those who know a good thing when they see it—the most attractive clubbing proposition for mail subscriptions that has ever been offered before. It will prove especially attractive to ladies—in fact, it will have a peculiar appeal to them. Only a small part of the club raiser's time will be required and they will be handsomely remunerated for the work done and time expended upon it.

It will be limited to mail subscriptions to the DAILY BANNER and will not be available for the subscriptions of people living in the City of Nashville or within the delivery limits of agents in nearby towns where The Banner maintains a regular delivery agent.

The proposition will be open for a limited time and when it is withdrawn no one may take advantage of it, so that it is necessary to strike while the iron is hot and make hay while the sun shines.

Write today, if you are interested, and learn all about this inducement for raising clubs of mail subscriptions to THE BANNER.

## HORSE SHOW AT STATE FAIR

Of the agencies that have contributed to the betterment of the different types of horse, none have been as potent as the Horse Show, nor has any other social pastime been as efficient in educating the people along the line of scientific breeding. The Great Tennessee State Fair, which will be held at Nashville September 29-October 4, has provided a list of entertainments for the Horse Show feature which will make it

the most unique as well as the most elaborate entertainment of the kind ever attempted in the Southern States. In addition to the ordinary features, there will be many new and novel ideas introduced for the first time, including the musical ride by 30 couples.
